

Declare the love you feel for Someone

Dear Julia,

I don't know how to express myself, but if I closed my eyes and see yours; green (another colour), deep, intense and I dare to say you that I love you, more, ... I adore you, and I wish intensely to be with you, live next to you, feel your breath next to me, how my hand caresses yours, how my lips feel yours... And finally, how our bodies melt and form one full of warmth and love.

Julia, I wish you tell me you feel or can feel the same I do for you. I hope you let me know as soon as possible to be able to live my life in pace with you.

I look forward to hear from you, my darling woman.
